Don't Give Crime a Chance – Safety Tips for Building Residents

Please follow these tips to increase your personal safety:

- Always lock your door when you leave your apartment and make sure that the lobby door locks behind you when you leave or enter the building. Never leave doors propped open.
- Do not allow strangers to follow you into the building.
- Visitors should only be buzzed in by their host.
- Do not buzz in service workers such as Con Edison, National Grid, Verizon, etc. unless YOU are expecting them. Service workers carry photo ID for your protection.
- In an emergency, dial 9-1-1.
